# 3RD ANNUAL BENEFIT GOLF TOURNAMENT

Charlie Harb graduated from high school in 1980 and moved to the San Diego area and attended San Diego State.

In 1986 Charlie joined the Allen's Alley Cafe family. Enjoying the many years of working there and becoming involved in community projects such as, Little league team sponsorships, special events, downtown merchants association, and the Chamber of Commerce.

Charlie says, "The customers at the "Alley" literally began to feel like family members. I was lucky to be a part of it and would never really call it working. I felt that I was going to visit family and friends on a daily basis."

In August of 2008, diagnosed with stage 4 lung cancer that spread to the bones in my lower back and right shoulder. It was the most devastating news I've ever had in my life considering they gave me about a year to live.

As a result of months of severe headaches from August of 2009 to December of 2009, they believe they detected nodules in the head and atypical cells in the spinal fluid that shows the possibility that the cancer may have spread to those areas. When detected, they felt that I now had 6 months to a year to live. So far, MRI's of the brain and CT scans of the lung and bones show the cancer is stable.

The support and prayers from the Allen's Alley Café restaurant family, for my wife, Maha, and daughters, Sabrina and Dunya brings hope that one day research will find a cure for this awful illness.

Again, thanks to all who have participated in the last two benefit golf tournaments on my behalf. All proceeds benefit Charlie's medical expenses & daughters education trust fund.

**SAN LUIS REY**  
**DOWN**  
GOLF • TENNIS RESORT & COUNTRY CLUB

A magnificent 6,750 yard championship eighteen hole golf course layout winds through the heart of the San Luis Rey River Valley. From the elevated first tee to the rising par five finishing hole, our inspiring par 72 course has a genuine, natural appeal to every golfer's instincts, whatever their handicap.

The course demands strategic positioning from tee to green, to avoid encountering some of the many beautiful Eucalyptus trees you will find on the course. Resident PGA Golf Professional Greg Milligan offers you some help on how to play our beautiful and challenging golf course. The course record was set by Gary McCord, PGA Senior Tour & CBS analyst.
