

# 2ND ANNUAL BENEFIT GOLF TOURNAMENT

Welcome golfers to the 2nd annual Friends for Charlie Harb Benefit golf tournament at San Luis Rey Golf and Country Club.

The success of last year and partnering this year with the Pride of Vista Lions Club for help, we will again have a great event. This year, Charlie Harb has asked any funds to be raised to benefit the Lung Cancer Alliance and the Pride of Vista Lions Club charities in our community.

By playing golf, sponsoring a hole, donating a gift certificate, or even a prize for the auction will help us accomplish our goal.

**A** magnificent 6,750 yard championship eighteen hole golf course layout winds through the heart of the San Luis Rey River Valley. From the elevated first tee to the rising par five finishing hole, our inspiring par 72 course has a genuine, natural appeal to every golfer's instincts, whatever their handicap. The course demands strategic positioning from tee to green, to avoid encountering some of the many beautiful Eucalyptus trees you will find on the course, and our resident PGA Golf Professional Greg Milligan on how to play our beautiful and challenging golf course. The course record was set by the Gary McCord, PGA Senior Tour Player & CBS Golf Analyst.
